

**YESHIVA UNIVERSITY HIGH SCHOOLS
TERMS OF REGISTRATION AND TUITION**

1. We acknowledge that the following terms must be agreed to in addition to submitting a registration deposit to the High School Business Office in order to ensure admission in the upcoming school year. Complete tuition arrangements must be made by July 22nd.
2. Registration Deposit: This deposit is non-refundable, including withdrawal from the school for any reason, including tuition assistance application denial.
3. Tuition and Fees: The tuition fee schedule reflects the annual tuition and is due on July 22nd. Although the school may accept options for monthly payment, the entire set of fees are incurred and billed one month prior to July 1st each year. Failure to timely abide by the payment agreements will result in assessed late fees, withholding of academic records and ultimately the removal of the student from the school.
4. These terms do not reflect any prior year balances, if applicable. Prior year balances must be paid before the beginning of the upcoming school year.
5. The tuition schedule reflects all discounts applied to your account.
 1. Merit based aid is awarded by the Head of School to students based on superior academic performance upon entering 9th grade. These scholarships will continue as long as the student maintains the high level of achievement expected of an Academic Scholarship recipient. The terms are detailed in the letter.
 2. Financial aid is awarded to incoming and continuing students who show financial need as determined by the Financial Aid application. Financial aid is not carried over from previous years and eligibility and awards are assessed each Spring.
 3. All financial aid awarded by the high schools is applied toward tuition related charges. Recipients of financial aid awards will be notified beginning Late Spring/Early Summer.
6. The Financial Aid process must be completed in a timely manner each year in order to receive assistance. Grants are subject to change based on fund availability and eligibility.
7. We acknowledge that financial assistance is neither a grant nor an entitlement. As responsible community members, we understand that if we are in a position to repay the generosity afforded to us, we will do so. Should our financial situation change for the better during or between the school year(s), we will notify the business office immediately.

8. Tuition and Fees relating to the withdrawal of a student during the school year will be assessed as follows:
 1. Before August 15 – 70% of tuition will be reimbursed
 2. Between August 16 - November 1 - 35% of tuition will be reimbursed.
 3. Between Thanksgiving until January 1 - 20% of tuition will be reimbursed
 4. After January 1- Full tuition will be assessed.
9. In the event the school is obliged to commence any legal action or use the services of a collection agency to recover any overdue funds, I/we agree to be liable for all court costs, expenses, reasonable attorney's fees or any collection agency fees associated with any such action.

Ordinarily, it is our expectation that instruction will primarily take place in person at the High School. The High School may fully or partially close its building at its sole discretion, for any circumstance beyond its control, including but not limited to compliance with any law, decree, or order of any federal, state, or local governmental agency or authority, riots, war, public disturbances, strikes, lockouts, labor disputes, fires, floods, extreme weather events, Acts of God, pandemic, epidemic, or any other circumstances beyond the High School's control. In such an event, the High School may, at its sole discretion, substitute a reasonable alternative for delivering academic instruction and other services immediately and without notice. Alternative instruction includes, but is not limited to, remote online instruction. In such an event, the High School may continue to substitute a reasonable alternative for delivering academic instruction until such time as the High School, at its sole discretion, determines that live and in-person instruction may resume. The High School also may, at its sole discretion, determine that certain courses will be held live and in-person while others will be delivered with a reasonable alternative. The High School will not provide tuition and fees refunds or tuition and fees discounts in the event that some or all of its courses are unable to be delivered through live and in-person instruction and are delivered through a reasonable alternative.

I/We understand that unless these terms are agreed upon, the school will not assign classes to our child(ren).
